

CAPABILITIES STATEMENT

COMPANY OVERVIEW

Jeremy Ostler Consulting is a specialized trial consulting and human-behavior analysis firm supporting government and civilian legal teams in high-stakes litigation. Founded in 2022, the firm applies military-grade interrogation, intelligence analysis, and decision science to jury selection, voir dire strategy, and trial communication. Our company focuses on improving juror insight, strengthening credibility, and reducing uncertainty in cases where human behavior determines outcomes.

CORE COMPETENCIES

Voir Dire Strategy & Design

- Development of targeted voir dire frameworks to uncover bias, risk indicators, and decision-making patterns.

Jury & Panelist Profiling

- Systematic analysis of questionnaires, demographics, values, and group dynamics to assess juror and military panel risk.

Human-Behavior & Credibility Analysis

- Interpretation of verbal, non-verbal, and paralinguistic cues rooted in interrogation and intelligence methodologies.

Trial Narrative & Case Framing

- Cognitive-science-based guidance on themes, openings, cross-examination strategy, and closing arguments.

Live Trial Advisory Support

- Real-time voir dire analysis, juror risk ranking, and attorney decision support under pressure.

Witness Preparation & Communication Coaching

- Training witnesses to communicate clearly, credibly, and confidently in adversarial environments.

DIFFERENTIATORS

- Former military interrogator and intelligence analyst providing military-grade behavioral insight.
- Experience across civil, criminal, and UCMJ courts—rare within the trial consulting industry.
- Proprietary 6 C's of Trust Framework (Character, Competence, Caring, Connection, Communication, Correction).
- Proven ability to translate complex behavioral science into actionable trial strategy.
- Operates effectively in high-pressure, high-consequence government legal environments.
